Is it reasonable for you to travel to Central Florida to meet the dam and sire of our puppies? We would welcome your visit. _____

Please provide the name, address and telephone number of the veterinarian you plan to use.

Further comments: Please feel free to add anything that you think would help us in choosing the right individual for you. (Please use an extra sheet if necessary.) _____

We would like to thank you for taking the time to fill in this questionnaire. It will help us decide if, in our opinion, an Aussie is the right choice for you.

We make every effort to ensure that our puppies are free from any inherited defects for those problems common to our breed. However, due to complex genetic interactions and environmental factors beyond our control, we cannot guarantee that a puppy purchased from us will be completely free of genetic disorders.
